**5<sup>th</sup> Grade Out**  
We will miss you!

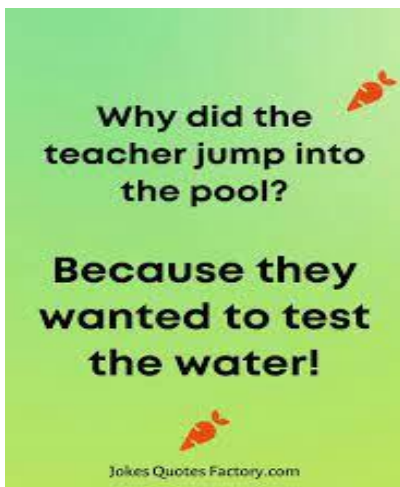

Jefferson Lunch Crew (partial).

This is the last month of school! But, unlike the rest of the school, 5<sup>th</sup> graders won't be coming back next year to Jefferson. (Well, unless we come to visit).

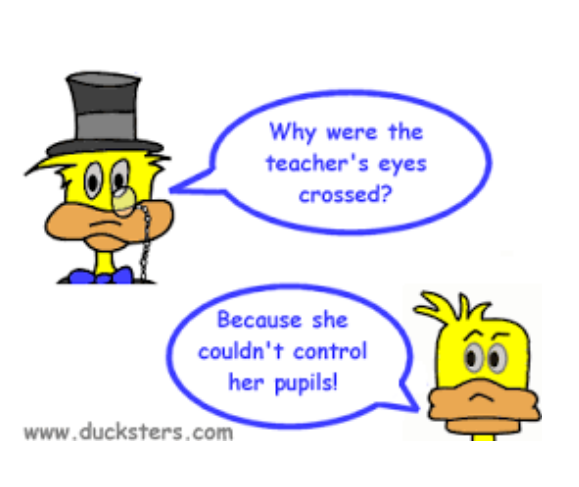

Sadly, 5<sup>th</sup> Graders will definitely miss all of you very much. Thank you for being so nice and teaching us all something new.

5<sup>th</sup> grade was a thrilling year. We were able to do so much with all the teachers. Big thanks to Mrs. Oberhansley, Mr. Hardman, Mrs. Taylor, and Mrs. Schmidt. Best 5<sup>th</sup> Grade teachers ever! We were so lucky to be a part of Jefferson Elementary. We are so excited to be Middle Schoolers. Thank you and make sure you keep next year's 5<sup>th</sup> in line.

## Door Holders

Keeping a hold of things

Do you know the door holders? All five of them? Well, we are here to tell you all about us and what we do.

First, we hold doors- that may have been obvious. Second, we can make kids laugh or smile by giving them high fives or making silly faces. Third, we do this because Mrs. Schmidt makes us. Just kidding! It is because we want to help our school be the best it can be.

Thank you for reading about why we hold the doors and why we enjoy it.

## Glow in the Dark

Ms. Kelley's class has fun.

Ms. Kelley thought out of the box this time. She put black lights all over the room and gave her students glow sticks. She also gave her students highlighters, and they drew on blank pieces of paper. Their drawing glowed in the dark. They went outside and blew bubbles, played baseball, did hula hoops, and played on the playground. Ms. Kelley is a wonderful teacher to have.

Kinder buddies

## *Kinder Buddies*

As Kinder Buddies, we are able to help the Kindergarteners walk to the bus every day. We make sure they are on the right bus and that they are safe. We are good friends with our buddies.

Many times, we hold their hands and say good-bye to them when they get on their bus. We also enjoy visiting with them as they walk to the bus.

## Flag Crew

Every day the Fifth Grade Flag Crew raises the American Flag for Jefferson Elementary and every afternoon, another crew lowers it before going home. They have done this all this year. They have done a great job and will soon train a new crew to take over for them next year. It is an important job and must be done with respect and love for our country and those who gave us the freedom we have today.
